

Dear Parents,

Kim Eldredge, author of the book *The Sky Is the Limit*, will be visiting our school on _____.

Kim is a retired teacher who spent 31 years teaching in Georgia's Douglas County School System. After retirement, she found her passion to affect children's lives in a positive way had not diminished. She wrote the book as a dedication to her dad, who helped to build the Lunar Module.

The book is intended to inspire children to believe in themselves and to instill a love of learning. It is both diverse and inclusive. It encourages discussions on vocabulary, individuals with challenges, mentors and even naysayers. Kim and her illustrator Toni hope that *The Sky Is the Limit* is the kind of book that parents and children can read over and over, much like *The Little Engine That Could* inspired earlier generations. Kim and Toni love the whole book, but they especially love the ending because as all of us adults know: THE SKY IS NOT THE LIMIT!

We are currently accepting pre-orders for the book. If you would like to order a signed copy for your child, the cost is \$20.00. The author will be donating \$2.00 back to the school for each copy purchased.

Please detach and return to your child's teacher by the date listed below.
